STATE OF HAWAII

From: Health, Emergency Medical Services and Injury Prevention System Branch
Department/Division/Agency

Pursuant to §103F-403, HRS and Chapter 3-144, HAR, the Department Head has made a determination that an adequate basis for a restrictive purchase of services exists and requests approval to make a restrictive purchase for the following:

Description of health and human service(s):

To plan and develop policies and procedures for the integration of the Maui emergency helicopter aeromedical service into the emergency ground ambulance service agreement.

Provider Name: International Life Support, Inc. dba American Medical Response	Contract Amount: \$100,000.00
Provider Address: P.O. Box 613 Honolulu, Hawaii 96809	Term of Contract: From: April 1, 2004 APRIL 30, 2004 NS To: June 30, 2004

Brief description of the circumstances justifying an exempt purchase:

American Medical Response current contract ends June 30, 2005. Since it was intended to staff the helicopter with existing EMS personnel at the Kula ambulance unit and integrate the aeromedical service as part of the Maui County emergency ambulance service, this contract amount is for assessment, setting policy and procedures and training. Future competitive 103F RFPs will include ground and helicopter aeromedical services.

REQUEST FOR EXEMPTION FROM CHAPTER 103F, HRS

Description of efforts to determine availability of other providers and results:

The Department of Health's current ground ambulance service agreement term for Maui County is through June 30, 2005. Since the ambulance personnel of the ground service will staff the helicopter, we did not seek alternative providers. The next RFP will include helicopter emergency aeromedical services.

Goldstar ambulance was notified. They provide medical aviation services in Texas.
